**MEMBERSHIP FORM 2017-2018**

The George Washington Carver Alumni Association, Inc., is proud to announce its 2017-2018 membership drive.

To many of us, the achievement of a better quality of life has always been a continuous dream for Carver. As recognition and tribute to our beginnings, the George Washington Carver Alumni Association, Inc., has been established.

The goals of the association are:

To promote and support our Alma Mater in scholastic activities, awards, and other needs of the student body and faculty.

- To become involved with community and civic concerns that affect Carver's well-being.
- To foster social relationships and maintain the **"Good Ole Carver Spirit"** through harmonious social activities.
- To further endow the George Washington Carver Alumni Principal Scholastic Fund.

The Alumni would appreciate your assistance, support and participation in maintaining this organization. Meetings are held on the fourth Saturday of the month at 1:00 p.m. The location of the meetings and other events are posted on the website, [www.mygwcaa.com](http://www.mygwcaa.com). For further information contact: George Washington Carver Alumni Association, Inc. at 706-576-5758.
